

# Black Jack DTC

Black Jack DTC is organising a **Barrel Racing training session** on the 18<sup>th</sup> of September 2010 from 12-2 pm, near Boston Lincolnshire.

This training session is the first of our regular training sessions for this sport. It is suitable for absolute beginners and for people with a little bit more experience. We will go over the 4 different patterns that can be asked in a competition and you will have a go at the barrels. If there is time we might even do a little race!

Costs:  
Handler £5 (or £4 for Black Jack DTC members)

In the unlikely event of the training session being cancelled full refunds will be given. If you are unable to attend and have paid for a place, we regret refunds are not available apart from in exceptional circumstances. However, we will try to reallocate your place to someone else, to allow us to refund your payment, but because numbers are restricted this can not be guaranteed. Directions to the venue will be sent when your place is secured.
