

# Black Jack DTC

Black Jack DTC is organising a Clicker Training Day on the 4<sup>th</sup> of September 2010, near Boston Lincolnshire.

Learn more about the theory behind clicker training and learn some fun exercises with your dog. We will help you chain and shape behaviours, teach your dog to target and from that we will go a step further and will built on from these basic exercises into more fun stuff like teaching your dog to read, pick his favourite colour etc. etc.

There will also be a possibility to work on (obedience / freestyle/ agility, etc.) exercises you have problems with at home.

Costs:

handler full day £25 (restricted), spectator £15

Adrian will be there to look after everyone's tea and coffee throughout the day, but please bring your own lunch.

In the unlikely event of the course being cancelled full refunds will be given. If you are unable to attend and have paid for a place, we regret refunds are not available apart from in exceptional circumstances. However, we will try to reallocate your place to someone else, to allow us to refund your payment, but because numbers are restricted this can not be guaranteed. Directions to the venue will be sent when your place is secured.
